

Thanks to the further expansion of our group of companies and increasing portfolio of national and international projects, our offices in **Bressanone** are looking for a reliable, skilled and committed

Technical Purchaser

AREAS OF RESPONSIBILITY

- Procurement of fabrication materials and subcontractor services.
- Independent management of contract and price negotiations in an international environment.
- Evaluation of offers including incidental and consequential costs.
- Cooperation with technical departments and analysis of suppliers.
- Strategic development of the supplier base.

REQUIREMENTS

- Completed commercial or technical studies with a focus on purchasing/logistics or comparable training - preferably in the metal or construction industry.
- Relevant professional experience in operative purchasing and in the technical field (metal construction/glass would be an advantage).
- Assertiveness and experience in dealing with suppliers, conducting negotiations, concluding contracts and good knowledge of commercial law.
- Ability to communicate, solve problems and work in a team.
- English and Italian or German and Italian (English an advantage) required.

WE OFFER

- Exciting and varied work with lots of individual responsibility
- A secure position in a successful international team
- Opportunities for both personal and career development in an international context
- Friendly, open-minded work atmosphere in a dynamic environment

FRENER & REIFER is a globally active, innovative building envelope construction company based in South Tyrol, Italy. As a solution developer, **FRENER & REIFER** design-engineers, fabricates and installs custom constructions in glass, metal and other materials for demanding clients and investors to designs by daring architects, worldwide.
