

Thanks to the further expansion of our group of companies we are looking to fill the following position with responsibility for national and international projects based at our location in **Bressanone/Brixen**:

Head of Installation (m/w)

AREAS OF RESPONSIBILITY

- Scheduling and coordination of all worldwide construction sites
- Schedule and capacity planning of construction sites and resources
- Close cooperation and coordination with project management and site quality management
- Responsibility for installation sequencing in close cooperation with supply chain management and logistics departments
- Scheduling of all site managers and senior installers in coordination with project management and site quality management
- Responsibility for identification of and contract negotiations with subcontractors
- Responsibility for the selection, instruction and ongoing on-the-job training of installation department employees
- Responsibility for provision of the necessary construction site documentation (incl. safety plans, construction diaries, etc.) as well as for budgeting and controlling of installation costs
- Responsibility for all health and safety related issues

REQUIREMENTS

- At least 5 years of professional experience in a comparable field
- Well-groomed and self-confident appearance
- Ability to work under pressure (project business)
- Company-oriented mindset
- Independent, reliable and solution-oriented working methods
- Ability to work as part of a team and willingness to travel
- Fluency in German and English required, Italian or French an advantage
- Experience with common project management tools (Navision, MS Project, AutoCAD)

WE OFFER

- A secure and challenging position in a dynamic environment.
- Performance-oriented remuneration.
- Career opportunities in a high-powered company.
- Friendly, open-minded workplace atmosphere.
