

Our headquarters in Bressanone is looking for a reliable, skilled and committed:

Health and Safety Manager (m/f)

AREAS OF RESPONSIBILITY

- Company representative responsible for occupational safety at our headquarters in Bressanone and at construction sites in Italy and abroad
- Preparation of workplace and hazard analyses
- Assisting the installation department in the preparation of safety concepts and carrying out regular safety inspections at construction sites
- Ensuring the implementation of all statutory and other necessary measures in the fields of hygiene and safety
- Identification of risk factors, risk assessment and the development of measures for health and safety at work
- Management, review and potential implementation of occupational safety training courses
- Analysis of work-related and near-accidents
- Responsibility for all other safety-related issues

REQUIREMENTS

- At least 3-5 years' experience in an equivalent position
- Training as RSPP (Prevention and Protection Service Representative) and ideally training as a Safety Coordinator (D.Lgs 81/08 – Legislative Decree No. 81/2008)
- Independent, reliable and solution-oriented working method
- Assertiveness and ability to work as part of a team
- Fluency in German and Italian (knowledge of English an advantage)

WE OFFER

- Exciting and varied challenges in an international environment
- Performance-related remuneration and appreciation
- Opportunities for both personal and career development
- Inspiring, open and team-oriented working atmosphere with lots of individual responsibility
- Flexible working hours
