

Our headquarters in Bressanone is looking for an:

Employee for our Occupational Health & Safety Department

AREAS OF RESPONSIBILITY

- Supporting the Head of Occupational Health and Safety with all technical and organisational issues
- Monitoring implementation of occupational safety at our HQ in Bressanone and at construction sites in Italy and abroad
- Participation in the preparation of workplace and hazard analyses
- Assisting the installation department in the preparation of safety concepts and carrying out regular safety inspections at construction sites
- Participation in the implementation of all statutory and other necessary measures in the areas of hygiene and safety
- Identification of risk factors, risk assessment and development of measures for health and safety at work
- Management and review of occupational health and safety due dates
- Participation in the organisation and implementation of occupational safety training
- Analysis of work-related accidents and near misses
- Preparation and recording of security conferences
- Management of occupational safety documentation using PROVISUS

REQUIREMENTS

- Interest in occupational health and safety
- Knowledge of MS Office
- Independent, reliable and solution-oriented working method
- Assertiveness and ability to work as part of a team
- Readiness for field service
- Fluency in German and Italian (English an advantage)

WE OFFER

- Exciting and varied challenges in an international environment
- Performance-related remuneration and appreciation
- Opportunities for both personal and career development
- Inspiring, open and team-oriented working atmosphere, with lots of individual responsibility
- Flexible working hours
